ATTACH THE FALL COMPETITION SCHEDULE FOR YOUR SPORT. Be sure it includes tournaments & championships your team might be competing in.

For each highlighted conflict, list the following information in the table below (add rows if necessary):

- IF you are missing TEACHING time or TEAM time. You should have a balance – a compromise between what is required for student teaching and what is required for your team.
- If missing TEACHING time,
 - Provide the specific time you will be leaving the classroom/missing a school event
 - Calculate exactly how many field minutes you will be missing
 - Specify if you are missing contact time with students OR planning time
 - Propose when/how the time missed time will be made up when students are present
