Dependent Verification Worksheet

2025-2026

Your application was selected for review in a process called “Verification.” In this process, the Financial Aid Office will be comparing information from your FAFSA application with you and your parent(s)’ 2023 federal tax return information, W-2 forms and any other requested financial documents. The law says the Financial Aid Office has the right to ask you for this information before awarding federal aid. If there are differences between your application information and your financial information, the Financial Aid Office may need to make corrections electronically to your FAFSA application.

What you should do:

1. If you haven’t done so already, provide consent for the Direct Data Exchange on the FAFSA application to import you **and** your parent(s)’ IRS Tax Information to the FAFSA.
2. Complete and sign the worksheet—you and your custodial parent must sign this worksheet.
3. Talk to your financial aid administrator if you have questions about completing this worksheet.
4. Submit the completed worksheet and any other documents the Financial Aid Office requests to the Financial Aid Office.
