

IWU Spain Program Application Packet

Offered during the spring semester of each year, the IWU Spain Program allows 16-24 IWU students to study with an IWU professor and local faculty while living with host families in Barcelona. Students take one course with the program director, an IWU faculty member, and select their other three classes from those offered by Spanish faculty at the Barcelona SAE, our program partner.

Spanish proficiency is not required, though students are encouraged to have taken at least one semester. Spain Program classes are a mix of General Education courses, Spanish language and 300-level Hispanic Studies courses, and sophomore-level nursing courses. General Education classes may also satisfy requirements toward a major or minor with the permission of the appropriate department chair. Courses are designed to take advantage of Barcelona's cultural resources, and the program features educational excursions outside Barcelona, which vary each year but may include Madrid, Granada, or Zaragoza.

The IWU Spain Program is open to students in any school or major. Students seeking to study abroad on the IWU Spain Program must meet the following eligibility criteria:

Study Abroad Policies IWU London/IWU Spain Programs

Please retain the policy information for your records.

Eligibility

- You must have successfully completed a minimum of 4 IWU course units.
- You may not be on academic or social probation during the semester in which you apply for study abroad or the semester you are abroad.
- Your IWU account must not be in arrears.

General Policies

- You may not study abroad in any location under a US State Department Travel Warning. For a current listing, visit www.travel.state.gov.
- You must participate in the IWU pre-departure orientation program. If you miss orientation, approval to study off-campus will be rescinded.
- IWU will award credit for a maximum of two semesters of study abroad plus a summer program. Transfer students may be limited to earning fewer credits abroad.
- IWU financial aid may be applied to one semester of study abroad (with some exceptions).
- Students on F-1 and J-1 visas are restricted from studying abroad in their home country.

Registration & Academic Issues

Courses and Course Load

You are required to carry a full-time load of coursework while participating in the IWU London/IWU Spain program. A full-time load consists of 4 courses, just as it would on campus; you will not be allowed to register for only 3 courses or to drop one of your courses without prior approval.

If you are eligible to receive an Illinois State Monetary Award, you must enroll for no fewer than 4 course units of credit to receive the maximum award.

Credits and Grades

IWU does not allow students to take their study abroad coursework on a credit/no credit basis: all of your IWU London/IWU Spain must be taken for a letter grade and the letter grade will be part of your IWU transcript and calculated into your cumulative grade point average.

Applying Credit to Degree Requirements

General Education courses on the IWU London/IWU Spain programs are at the 200-level; some 300-level Hispanic Studies courses are available on the IWU Spain program. Unless otherwise specified, courses on both programs carry only General Education credit. However, it may be possible to receive credit toward a major/minor requirement with approval of the appropriate department chair. Students seeking major/minor credit should consult with the director of the International Office and then complete a Course Approval Form.

It is the prerogative of each department or program at IWU to determine whether or not to apply credit from off-campus study toward its requirements. Not all coursework is necessarily approved in advance; departments

may require evaluation of certain courses upon your return from the program. It is always a good idea to return to IWU with copies of all course syllabi, reading lists, papers, and exams from off-campus study.

Cost & Billing

For the IWU London/IWU Spain programs, you will be charged your regular IWU tuition, room and board, as well as a program fee of about \$5500-\$5700 (for 2016-17). Included in these costs are

- 4 IWU courses
- Housing
- Weekly food stipend
- Roundtrip airfare from Chicago O'Hare
- Underground or Metro pass good for travel within the city for the duration of the program
- Pre-departure orientation at IWU
- 3-day orientation on site
- Transportation for all program excursions
- Entrance fees and tickets for all required program events
- Opening and closing banquets
- Use of a cell phone

IWU will bill you on its regular schedule, and students using the 5 payment plan may continue to do so.

Financial Aid

According to the Higher Education Act of 1965, federal financial aid can be applied to study abroad if you are registered as a full-time student and if you will receive course credit for your study abroad. Both federal and state sources may be applied to up to a year of study abroad. Please note that financial aid packages will be proportionally reduced if comprehensive study abroad costs are significantly lower than IWU's comprehensive fee.

IWU financial aid, with the exception of work-study jobs, may be applied to one semester abroad through an approved study abroad program. Exceptions to the policy are granted for study abroad programs that do not offer a semester option (e.g., the London School of Economics or the Pembroke Program), for study abroad on an IWU exchange program (specifically at Keio University in Tokyo, Al Akhawayn University in Morocco, and Lingnan University and the Hang Seng Management College in Hong Kong), and for participants in the IWU London and IWU Spain programs. Students on these programs may use their institutional aid to study abroad for a second semester.

Additional aid is available for study abroad. All IWU students, as part of the study abroad application process, are required to submit a Study Abroad Financial Aid form to the Financial Aid Office. That office will then evaluate your financial need as compared with the estimated cost of your study abroad program and you may then become eligible for additional loans or a study abroad grant. In addition, study abroad scholarships are available from our affiliated study abroad programs and other external sources.
